1.	 A man with dark, curly hair, wearing a black long-sleeved shirt, is seated and working on a laptop. The laptop screen displays a blue background with white text, possibly a command prompt or system log. He is in a server room, with numerous black and blue cables hanging from racks in the background. A grey electrical panel is visible on the left.
2.	 A large, black electronic device, likely a digital synthesizer or a specialized audio interface, is shown. It features a large array of buttons and sliders arranged in a grid. A small, rectangular LCD screen is positioned at the top center. The device is resting on a surface covered with a bright green plastic tarp.
3.	 A man in a white short-sleeved shirt and dark trousers is standing in a room, looking at a small object in his hands. In the background, a large television screen is mounted on a wooden cabinet, displaying a game interface with a blue background and a character. A large mirror on the right wall reflects the man and the room. The room has light-colored walls and a wooden floor.
